LEADING OFF

LAST TIME OUT

Orleans staged its biggest comeback of the season, erasing a two-run deficit in the ninth before Dominic Cadiz delivered a walk-off RBI single in the 10th to beat Wareham 3-2. Casey Euper turned in another quality start, while the Firebirds earned their first extra-inning victory of the summer.

PUSHING FOR PLAYOFFS... AGAIN

After finishing 22-16-2 last year, as well as first place in the East Division, the Firebirds look to kickstart a new year and push for their fifth postseason appearance in a row.

HAPPY 22nd!

Head Coach Kelly Nicholson celebrates his 22nd summer as the skipper of the Firebirds. The longest tenured Orleans coach in the modern era (1963-present), Coach Nicholson has had 32 players selected in the first-round of the MLB Draft, and 130 players reach the MLB.

WHERE TO WATCH / LISTEN

All Firebirds games in 2026 will be broadcasted live, and can be found on Cape League TV at capeleaguetelevision.com ... Select games throughout the Summer will be aired on WSBK-TV as a part of the league's new partnership with CBS Boston.

AROUND THE NEST

TERRELL'S POWER SURGE

Bub Terrell (Auburn) turned in one of the Firebirds' top offensive performances of the summer, launching two home runs and driving in all four Orleans runs against Hyannis (6/24). The breakout game showcased the slugger's power potential as he continues to emerge as a key bat in the Firebirds lineup.

THE EUPER EFFECT

Casey Euper (Pepperdine) has been one of the Cape League's toughest starters early this summer. The Pepperdine southpaw has surrendered just eight hits (0.72 WHIP) and three earned runs over 16.2 innings while striking out 21. His plus curveball and aggressive approach in the strike zone have fueled his early success.

TURNING THE TIDE

The Firebirds' pitching staff has found its rhythm. After allowing 34 runs over the first five games, Orleans has surrendered just 33 in its last ten contests. Strong outings from Chase Frey (Portal), Grant Garman (Hawaii), and newcomer LJ Cormier (Auburn) have stabilized the staff and fueled the team's recent success.

ANSWERING THE CALL

The Firebirds bid farewell to two key contributors after both were selected to represent Team USA. Infielder JD Stein (South Carolina) appeared in eight games, highlighted by a 3-for-4, two-RBI performance against Brewster, while right-hander Evan Jones (Wake Forest) impressed out of the bullpen, allowing just one earned run over five innings with four strikeouts and upper-90s velocity.

FINDING THE LONG BALL

After going homerless through the first 26 innings of the season, the Firebirds have found their power stroke. Orleans enters the week tied for third in the CCBL with seven home runs, led by Tyler Myatt's (Tennessee) with three, followed by Terrell (Auburn) with two, along with Dominic Cadiz (UCLA) and Ryan MacDougall (Dayton) each with one.

LUMBER YARD

The Firebirds have been hard on their bats this summer, snapping 23 through the season's opening stretch. Cadiz leads the club with nine broken bats, followed by Myatt with five, and Cale Stricklin (UNC Charlotte) with Terrell at two a piece.

WINNING FORMULA

The Firebirds' offense has been the difference between wins and losses this season. Orleans is batting .255 in its victories—second-best in the Cape Cod Baseball League—compared to just .194 in its defeats. When the lineup gets rolling, the Firebirds have proven difficult to beat.

SETTLING IN

The biggest challenge for the Firebirds' pitching staff has been getting the first out. Opponents are batting .293 with no outs—the highest average allowed in the Cape League. Once Orleans records an out, however, the staff settles in, limiting hitters to a .180 average with one out, the lowest in the league, and .189 with two outs, ranking second-lowest in the league.

NEW FACES ON THE BLOCK

The Firebirds continue to reshape their roster as the summer progresses. Orleans has recently welcomed outfielder Rowan Kelly (UC Santa Barbara), infielder Johnathan Gomez (Fairleigh Dickinson), infielder Adam Magpoc (SDSU), who joined the club after beginning the summer with Brewster, and infielder Tyler Harmony (Northeastern). The quartet adds versatility and depth as the Firebirds push into the second half of the Cape League season.

ATTACKING THE ZONE

Orleans' pitching staff has combined swing-and-miss stuff with impressive command through the season's opening weeks. The Firebirds lead the Cape Cod Baseball League with 154 strikeouts while issuing just 63 walks—a formula that has fueled the staff's recent success.

WEARING ONE FOR THE TEAM

The Firebirds have made a habit of taking free bases, ranking first in the CCBL with 23 hit-by-pitches. Cadiz has led the way, being plunked four times, the fourth-highest total by any player in the league.

PORTAL WATCH

Roster movement continues around college baseball, and the Firebirds remain well represented. Five Orleans players are currently in the transfer portal, while seven others have already announced new homes. Recent commitments include Jake Echols (Grand Canyon), Stein (South Carolina), Rex Watson (returning to Coastal Carolina), D.C. Brown (Brown), Brady Fox (Georgia Tech), Brayden Ricketts (Kentucky), and Nate Savoie (Texas A&M).

A BIRD'S EYE VIEW

Walkoff Winner (GM 15 vs WAR)

Orleans staged its biggest comeback of the season, erasing a two-run deficit in the ninth before Dominic Cadiz delivered a walk-off RBI single in the 10th to beat Wareham 3-2. Casey Euper turned in another quality start, while the Firebirds earned their first extra-inning victory of the summer.

Offense Stalls Again (GM 14 @ BOU)

Chase Frey turned in another quality start, allowing two runs over five innings, while Tyler Myatt collected three hits and Rowan Kelly drove in Orleans' lone run. Despite limiting Bourne to three runs, the Firebirds managed just one run of their own in a 3-1 loss, continuing their offensive struggles.

Statement Win (GM 13 @ HYA)

Orleans snapped its skid in convincing fashion, blanking Hyannis 6-0 behind another dominant outing from LJ Cormier and a lights-out bullpen. Rowan Kelly finished a home run shy of the cycle from the leadoff spot, while the Firebirds drew nine walks and struck out 12 Harbor Hawks in their most complete performance of the season.

Missed Opportunities (GM 12 vs FAL)

Orleans stranded 14 runners and finished just 3-for-13 with runners in scoring position in an 8-2 loss to Falmouth. The Firebirds left the bases loaded two separate times, while AJ Beltré made his pitching debut, tossing two scoreless innings in relief with a fastball that reached the low 90s.

Late Lead Slips Away (GM 11 @ COT)

Ryan MacDougall's first home run of the summer and four scoreless innings from Jacob Haley gave Orleans a 2-0 lead, but Cotuit rallied for three runs in the sixth to claim a 3-2 victory. Rowan Kelly added a highlight-reel catch at the wall, while the Firebirds stranded key baserunners late in the loss.

Terrell's Big Night Spoiled (GM 10 vs HYA)

Bub Terrell belted two home runs and drove in all four Orleans runs, but Hyannis rallied with a four-run ninth inning to hand the Firebirds a heartbreaking 6-4 loss at Eldredge Park. Despite another early lead, Orleans couldn't hold off the Harbor Hawks late.

Rain-Shortened Rout (GM 9 @ WAR)

Orleans stayed hot with a rain-shortened 6-2 victory over Wareham. Chase Frey tossed 5.2 innings of one-hit ball, while Dominic Cadiz homered and drove in three runs to lead a 12-hit Firebirds attack before heavy rain ended the game after seven innings.

Father's Day Madness (GM 8 vs COT)

Orleans snapped a four-game losing streak with a 5-4 victory over Cotuit on Father's Day at Eldredge Park. Firebirds pitchers combined for 15 strikeouts, while Elijah Ickes delivered the game-winning RBI double in the eighth inning. Cale Stricklin then threw out the potential tying run at second base to end the game.

Skid Reaches Four (GM 7 @ BRE)

Orleans dropped its fourth straight game, falling 4-3 to Brewster despite taking an early 2-0 lead. The Firebirds stole bases, played solid defense, and received strong relief work from Brayden Toro and Grant Garman, but were unable to deliver the timely hit, leaving 10 runners stranded in a one-run defeat.

Walk-Off Heartbreak (GM 6 @ HAR)

Orleans battled back from an early deficit at Whitehouse Field but came up short in a 3-2 walk-off loss to Harwich. The Mariners wreaked havoc on the basepaths with six stolen bases, while the Firebirds erased a two-run deficit late before Harwich delivered the game-winning hit in the bottom of the ninth.

Searching for Answers (GM 5 vs BOU)

Orleans dropped an 8-2 decision to Bourne at Eldredge Park despite a strong start from southpaw Casey Euper. Tyler Myatt provided the Firebirds' offense with a two-run homer, but a five-run eighth inning by the Braves turned a tight pitchers' duel into a lopsided defeat as Orleans continued its search for consistency.

Comeback Falls Short (GM 4 @ FAL)

Orleans nearly erased a late deficit against Falmouth, scoring three runs in the ninth inning and bringing the tying run to the plate, but the rally came up short in a 7-4 loss. Despite the defeat, the Firebirds showed resilience after trailing by five runs entering the final frame.

A BIRD'S EYE VIEW CONT.

An Offensive Explosion for the First Win (GM 3 vs BRE)

Orleans broke through for its first win of the season with a 9-2 victory over Brewster at Eldredge Park. The Firebirds erupted for six runs in the fifth inning, while left-hander Chase Frey delivered five strong innings of one-run ball. Dominic Cadiz continued his hot start at the plate with two hits and an RBI.

Home Opener Heartbreak (GM 2 vs YD)

A packed Eldredge Park welcomed Firebirds baseball back to Orleans, but Yarmouth-Dennis spoiled the home opener with a 7-2 victory. Dominic Cadiz collected three hits, while the Firebirds received solid relief efforts from D.C. Brown and Luca Alagheband in front of a strong Opening Night crowd.

Summer Begins (GM 1 @ FAL)

Orleans opened the 2026 season with an 11-4 loss to Falmouth at Guv Fuller Field. The Firebirds struggled to overcome an early deficit despite collecting their first runs of the summer in the second inning. Assistant coach and former Firebird Ryan Hanigan made his return to Orleans' staff in the season opener.

BIRDS HISTORY

Eldredge Park

Founded through a 1913 land donation from Lewis Winslow “Win” Eldredge, Eldredge Park has served as Orleans’ community playground and baseball home for more than a century. Cape Cod Baseball League games have been played at the park since 1928, and decades of improvements—from a field redesign in 1967 to modern lights, dugouts, and scoreboards—have transformed it into one of the nation’s premier amateur baseball venues while preserving its historic character and community roots.

LF (300) | CF (434) | RF (314)

Supposedly, the only two people to ever hit a HR to dead center field is Frank Thomas (1988) and Kyle Schwarber (WAR, 2012).
